ONE PLATFORM CONNECTING EVERYTHING

The SOTI ONE Platform is an innovative, integrated management solution that maximizes the ROI of your business-critical mobile devices and printers. It reduces the cost, complexity and downtime of your mobile operations and delivers actionable insights to help you make data-driven decisions. Workers are more efficient because devices are more reliable and packed with the tools, data and apps needed to get the job done - fast. Manage your essential mobile devices and printers for total control while increasing the effectiveness of your mobile operations with the SOTI ONE Platform.

BREAK DOWN SILOS

End-to-end visibility helps to eliminate downtime and manage all mobile and IoT devices in one place.

INTEGRATE EVERYTHING

See how all aspects of your mobile strategy connect with each other to maximize device uptime.

MAKE SMARTER DECISIONS

From app usage to location tracking to cellular coverage, use irrefutable data to level up your mobile operations.

The SOTI ONE Platform makes mobile-first business operations simple efficient and reliable.

SOTI MOBICONTROL

SOTI MobiControl makes EMM easier than ever before. It empowers companies to securely manage any device or endpoint with any form factor and any operating system (OS) throughout their entire lifecycle.

SOTI XSiGHT

SOTI XSight enables the rapid resolution of app and mobile device issues. By leveraging advanced diagnostics and analytics, IT administrators can improve performance and reduce operating costs of business-critical mobility.

SOTI SNAP

SOTI Snap enables organizations to rapidly build mobile apps to replace paper-based processes and digitize data collection and approval processes to make them fast and efficient.

SOTI CONNECT

SOTI Connect provides enterprise-grade management for your organization's mobile and industrial printers throughout their complete lifecycle, anytime and anywhere.

SOTI IDENTITY

SOTI Identity enables simple and secure access to the SOTI ONE Platform suite of solutions with centralized user authentication, single sign-on (SSO) and role management.

SOTI PULSE

SOTI Pulse is an online community that makes it easy for customers to connect, communicate and collaborate with product experts and other solution providers through interactive forums, product support and informative articles.

SOTI ONE SIMPLIFIES YOUR BUSINESS MOBILITY

Get the right devices in the right hands of the right workers and keep them up and running at peak efficiency. Simplify app development and deployment while integrating with critical backend systems.
