

Barcode Solutions

Barcode Software

- Asset Tracking & Inventory Control
- Warehouse Management Systems (WMS)
- Enterprise Label Design, Printing and Management
- Real-Time Location Systems (RTLS)
- Mobile Device Management (MDM)
- Work in Process (WIP) Tracking
- RFID Kit Verification, Serial # Tracking and Management
- Voice Picking
- Terminal Emulation

Barcode Scanners

- Handheld Scanners
- Ultra-Rugged Scanners
- Presentation Scanners
- Wearable Scanners
- Fixed Mount Scanners
- In-Counter Scanners
- Single-Plane Scanners
- Kiosks
- Zone 1/21 & Class 1 Div 1/Zone 0

Barcode Printers

- Industrial Printers
- Desktop Printers
- Mobile Printers
- RFID Printers
- Color Label Printers
- Receipt Printers
- Wristband Printers

Barcode Labels & Printing Supplies

- Barcode Labels & Tags
- RFID Labels & Tags
- Custom Labels
- Printer Ribbons
- Hospital Bracelets & Wristbands
- Receipt Paper
- Electronic Shelf Labels
- Hospitality & Event Wristbands
- Metal Labels & Tags
- Magnetic Rack Labels
- Color Printer Ink

RFID Hardware

- Handheld RFID Readers
- Fixed RFID Readers
- RFID Printers
- RFID Portals
- RFID Antennas

Mobile Computers & Tablets

- Handheld Computers
- Wearable Computers
- Vehicle Mounted Computers
- Rugged Tablets

Location Technologies

- Bluetooth Low Energy Devices
- Ultra Wideband and Cellular Tracking
- RTLS Technologies

Barcode Verification

- Linear, Portable Linear, Optic Verifiers
- Wide Angle, Desktop Verifiers
- Verifier Calibration & Repair

Enterprise Solutions & Services

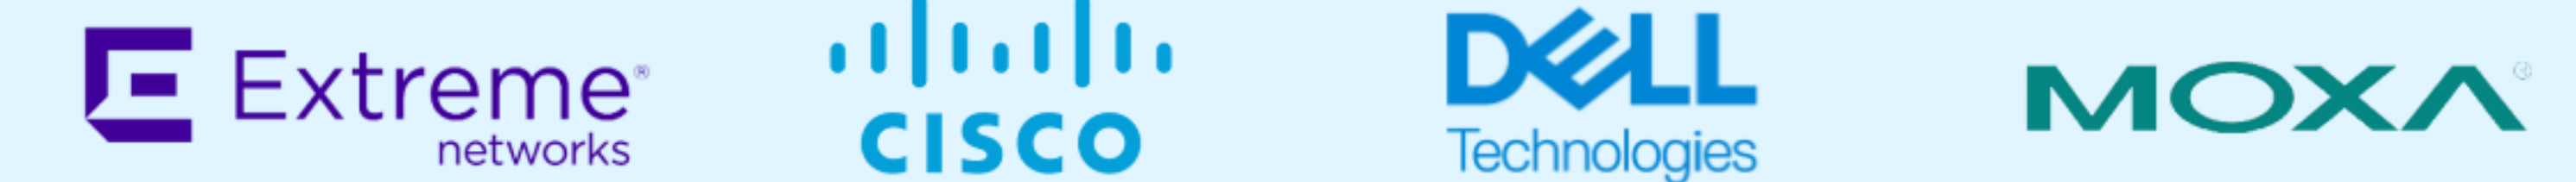

- RFID Systems Design & Deployment
- Printer and Label Management
- Custom Application Development
- Nationwide Printer, Scanner, and Mobile Computer Repair
- Service Contract Management

Enterprise Solutions

Network Infrastructure

- Network Switches, Servers and Storage
- Wireless Access Points
- Cloud Based Network Management
- Laptops, Desktops, Monitors and Accessories
- Network Infrastructure Design & Deployment
- Network Managed Service Provider (MSP)

Security Solutions

Access Control & IP Cameras

- Security Cameras and DIVAR Video Systems
- Access Control Panels, ID Cards and Logging Systems
- Hardware Cabling & Installation

Cybersecurity

- Industrial and Healthcare Operational Technology (OT) Cybersecurity
- Cloud Workload, Threat Intelligence and Endpoint Security
- Risk Assessment, Incident Response and Managed Services

IoT Solutions

Electronic Shelf Labels

- Chroma Series ESLs - Red, Yellow, Black and White
- Dynamic Communicator and Central Application

Communication

- Two-Way Business Radios

Temperature & Humidity Monitoring

- Real-Time Electronic Environmental Sensors and Data Bridges
- Ready-To-Use Shipment Temperature Indicators
